ABOUT US

Capapie, founded in 2001 by Nilesh Rane, creates high-quality sportswear for shooters worldwide. It is not just a business; it reflects our strong dedication to going beyond expectations. We work hard to understand the sport and continually develop new ideas. Our goal is to create products that help shooters focus when it matters most. Because of this dedication, our business has grown and now serves customers around the world, including in Trap and Skeet disciplines.

We are proud to deliver affordable gear without compromising on quality. Our focus on professionalism and performance sets us apart in the industry.
